WALT: use imaginative description.

You are going to become Sentence Doctors. Look at the sentences that I have written below and try to improve them.

What could you add to make them better?

I have completed the first one for you:

The cat sat on the mat.

The enormous, ginger cat comfortably sat on the mat licking his paws.

The girl was singing.

The mouse ate the cheese.

The man got in the car.

He fell in the mud.

I ate the cake.

The boat sailed away.
