

## I LOVE OTHERS

### Lesson 6: Thank You For Helping Me

**WE ARE LEARNING TO:** Be thankful for the people who help us at school.

**BORIS ASKS:** Can the children suggest people who help them at school?

Can the children suggest ways to thank the people who help them at school?

**RESOURCES:** Select resources depending on how you want to say thank you

Ask the children to list the people in the school community that help them. As well as Teachers and Teaching Assistants, encourage the children to think about other people in the community e.g. Crossing patrol, Mid-day Assistants; School Office; Cleaners, etc.

Ask the children what the people they have mentioned do to help them.

Ask the children to suggest ways they can show those people that they appreciate all they do. Use the children's suggestions or encourage them to make a card, draw a picture, bake some cakes or simply visit the staff member to say thank you.

Boris says, 'Thank you for helping me!'
