

Read the scenario and decide - Is it an emergency?

Your friend has fallen over in the park and has grazed his knee. His knee is bleeding and he is crying a lot.

Your friend has fallen over in the park and has hit his head on the floor. His eyes are closed and he isn't moving.

You were out walking your dog and she escaped her collar. You can't find her anywhere and have been looking for hours.

You are walking past a jewellery shop and you see a burglar breaking in.

Your kitchen is on fire and your Dad is in the house.

You have burnt your toast. The kitchen smells smoky but there are no flames.
