

Home Learning (Miss Coe)

Sent home Friday 21.10.16, due in by Wednesday 2.11.16

There are further activities available this week on Mathletics, remember to complete these, go on Live Mathletics and listen to the Times Tables Toons.

Help us with our 'Brilliant Beginning':

For home learning over the half term break can you create a **beautiful bird** to kick off our new English work?

Paint, print or collage an amazing bird. Be as creative as you like and bring your bird back for a pizzazz parade at the end of the first week.

Enjoy the break!
