$9 \times 8 = 72$

Literacy: Character profile

Our story writing is going so well! We will be coming up with our own stories in the following week. Please come up with a character for your new story. Draw and label your new character. Tell me as much about them as you can. Come up with a character description. What is their name? What are their eyes/skins/smile like. If it is an animal- what is their fur/ tail/ teeth like? How do they move? How does he/she behave? How does he/she move? How old is he/she? - Character profile sheet attached if needed for guidance. Please ask if you would like it to be printed otherwise straight onto a piece of paper or in homework book is just fine- whichever is easiest!

Reading: Please can the Arctic Foxes be prepared to share their current book they are reading with the class next Friday.

Spellings (3 sets).

😊 Your child knows which sets that they are working on 😊 (red words are key words in literacy)
