

Oak class web page has been updated with

new photos and websites. Check it out!

4 + Dojos available!

Outstanding Oak Class

Well done for all the fantastic pieces of homework we have had in this week. We are having a wonderful time watching all the presentations and being inspired by wonderful creations and pieces of writing. I am so impressed!

Maths

I am seeing a massive improvement with the children's speed with the 3 times table.

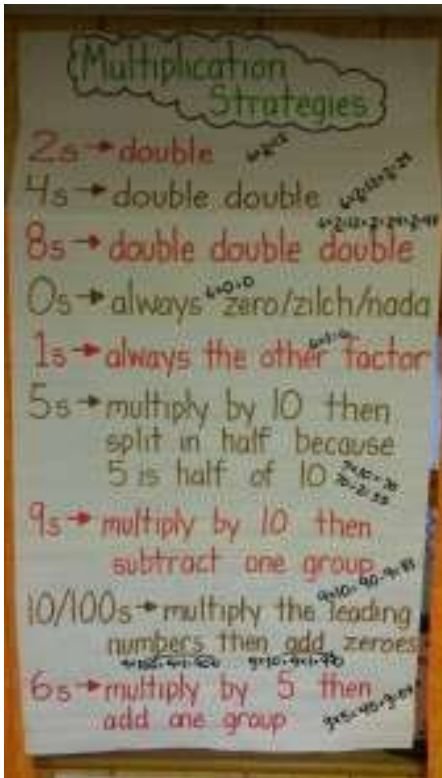

I will give you some more times table grids to practise.

The following week we will also add in more multiplying by 4 (remember double and double again).

1 Dojo point for bringing back completed times table homework!

1 Dojo point

for times table homework

Long Multiplication

We have also been learning how to do 2 digit or 3 digit multiplication by a 1 digit number. Your children will have some sheets to practise these at home.

Please encourage your child to explain how they are solving it to you.

1 Dojo point

for long multiplication homework.

Year $\frac{3}{4}$ spellings

We are having a big push on remembering our year 3/ 4 spellings:

Next Wednesday I will test the children on the following:

accident(ally)
actual(ly)
address
answer
appear
arrive
believe
bicycle
breath

1 Dojo point

for Spelling
Homework

Reading

Remember keep on reading and updating your reading logs, these are being checked. Earn extra **dojos** for every 10 times read.

Spelling homework (test is next Wednesday 31st)

Please write a sentence for each of your spelling words. Remember to use capital letters and punctuation correctly.

Extra spelling challenge

If you want to be more creative and accept this challenge (and an extra dojo) write a short story using as many of the spelling words as you can!

Extra Dojo for
spelling
challenge!

A heads up for next week

Next week we will start to look into climate change and global warming. You may wish to read up on it if you want to get a head start with this complicated subject.

Thank you for your continued support!

Mrs Habgood
