

AS THE SUN RISES

Group 1

CHORUS

*As the sun rises on a new day,
May our hearts say, 'God is good to us.'
As the sun rises on a new day,
May our songs say, 'You are faithful God.'*

Group 2

*As the sun rises on a new day,
May our hearts say, 'God is good to us.'
As the sun rises on a new day,
May our songs say, 'We are grateful Lord.'*

Duet

- 1 Your loving kindness is new every morning,
Through every season and change.
Nothing can hinder the love you have for me,
Nothing will stop me from singing your praise!

CHORUS (All)

- 2 Vaster than oceans is your love towards me,
More than I'll ever contain.
Goodness and mercy in every new morning,
Love never-ending for all of my days.

CHORUS (With optional harmony)

- 3 All of creation will tell of your glory,
Your love forever proclaimed.
Songs rising up, we'll awaken the morning,
Voices together declaring your praise!
